

Risk Types in Austria and CEE

1

Anxious Savers

„I very much prefer to put something by for a rainy day.“

Greenhorns

„I care little about my financial future.“

Indifferent

„I am not interested in financial issues and news at all.“

Spenders

„I enjoy spending money on consumer goods.“

Service-oriented Preventors

„I do not worry about my provision for old age since I take care of it in time.“

Self-reliant

„I manage my financial issues independently.“
